Mighty Moments at the Old National/Flat Shoals Area Clean-up

HOA members from Emerald Pointe, Old National East, The Meadows and Three Lakes join Fulton County Police officers, firefighters and Walmart staff to celebrate after the "Southside Community Clean-Up" on Saturday, June 27.

On Saturday, June 27, District 6 Commissioner Emma I. Darnell shared "Mighty Moments" with nearly 100 citizens from approximately 36 communities in the Old National/Flat Shoals corridor and TOGETHER, they GOT IT DONE—cleaning up their community.

As pictured above, event organizer Richard Jones, former president, Emerald Pointe Neighborhood Association; Arthur Blanding, president, Old National East HOA; Carolyn Daniels, president, The Meadows HOA and Alan and Patricia Rosser of Three Lakes HOA, coordinated a "Southside Community Clean-up" collecting more than 26 bags of trash and litter.

Coming together after the morning clean-up at the Old National Highway Walmart parking lot, residents enjoyed delicious food, fun and fellowship with members of the Fulton County Fire and Rescue Station #5 and officers from the Fulton County Police Department's Old National Precinct and sponsors Kroger, Walmart, BP, World Fashion and L.A. Fitness.

"What a day!" Commissioner Darnell stated. "There was no way I would miss the best hot dogs in Fulton County! This is how we built this community—and this is how we will preserve this community—together."

Summer Litter Pick-up Plan updated schedule

As of this weekend, the Public Works Department, Construction Division will have completed picking up litter and trash along more than 50 roads and streets in unincorporated Fulton County. The "Summer Litter Pick-up Plan" began June 15, with a mission to clean debris from the rights-of-way throughout the area.

On Monday, June 29, another round of litter pick-up began and on July 13, another set of roads and streets are on the schedule. See the complete list of these roads and streets on page 2.
