Mighty Moments with Melanie Manor-Pierce Road Community

Commissioner Emma I. Darnell shared Mighty Moments with members of the Melanie Manor-Pierce Road Community at Welcome All Park at their Reception and Regular Meeting on August 10.

In response to a Report to the Melanie Manor-Pierce Road Neighborhood, based on concerns received at the March 2015 meeting, Commissioner Darnell was informed that an upgrade of street lighting by Georgia Power had begun and that a trash and litter problem in the County's right-of-way had improved.

"Together, we have made major progress over the past three months," Darnell stated. "However, there is still much more work to be done, especially in the areas of public safety, infrastructure, health and human services."

Representatives of the Police Department and the Code Enforcement Section were present to respond to residents' questions and concerns.

The residents also completed the **DISTRICT 6 FULTON COUNTY SERVICES AND ACCESS (CUSTOMER SATISFACTION) SURVEY** and the **MIGHTY6 CONSTITUENT COMMENT CARD** to submit additional questions and concerns.

The Melanie Manor-Pierce Road HOA is a community of 100 homes created 14 years ago as a way to improve and maintain the neighborhood.

"You have to watch what's going on, know what's going on, and be willing to work in your neighborhood to maintain a great neighborhood," said HOA President Judith McTyre Henson.

"We are pleased that Commissioner Darnell has come out to meet with us, and look forward to our block party on Sept. 12," she said.

District 6 Fulton County Services/Access Survey Submission Deadline Extended to Sept. 8

The deadline for the receipt of the **DISTRICT 6 FULTON COUNTY SERVICES AND ACCESS SURVEY** has been extended to September 8.

Thinking about your neighborhood and County services—within cities and the Unincorporated area—the Survey lets us know more about the impact of the County's services upon *people*. It also provides information regarding your *access* to County programs such as the South Fulton Library, Wolf Creek Amphitheatre, the Aviation Cultural and Community Center and the South Fulton Arts Center.
