Butner Road/Highway 92 intersection improvement: Temporary solution under review by Fulton, State officials

State Highway 92 at the intersection of Ridge Road and Butner Road.

At its meeting, Wednesday, Aug. 19, the Board of Commissioners received information regarding the status of talks between Fulton County and Georgia Department of Transportation (GDOT) officials concerning installation of a traffic light at the Butner Road/Highway 92 intersection.

The intersection is one of the most dangerous in the County according to records maintained by the Fulton County Police Department. Discussions have focused upon “temporary” solutions.

Currently, the intersection does not meet State requirements for the installation of a traffic light according to GDOT officials.

“I am encouraged by the progress that has been made toward a temporary solution,” Commissioner Emma I. Darnell stated.

“However, I believe we can make the case for a traffic light at Butner and Highway 92.”
