

FROM THE DESK OF
COMMISSIONER
EMMA I. DARNELL

In 2015, with our partners, we made a GOOD START in Public Works by installing traffic lights at dangerous intersections, upgrading pedestrian lights on Old National Highway and Cascade Road; completing 19 roads-striping projects and 12 re-surfacing projects.

We're beginning construction on Phase I Fairburn Road and beginning the design for Phase II Fairburn Sidewalks from Cascade Road to the Walmart exit.

In 2016, we made a GOOD START in Public Works working with the State, to re-surface and re-stripe Flat Shoals Road and Stonewall Tell Road (for the first time in over 20 years!)

Together, we have made a GOOD START in Public Works and TOGETHER, WE WILL FINISH IT!

Stay Strong!
